

Our Policy of Care and Payment

Our mission is to deliver the finest treatment possible today, performed to your satisfaction. Payment is due at the time of treatment.

If this is not convenient for you, we do have alternative monthly payment plans through an outside financial agency called Care Credit. This type of financial plan allows you to start your treatment today and spread payments over time. This plan offers up to 12 months interest free for qualified applicants.

Approval for Care Credit only takes a few minutes and we will be glad to process your application immediately. There is no cost to apply and we can you what your approximate monthly payments will be.

Payment Options:

- Cash/Check
- Visa
- MasterCard
- Care Credit/Heartland Credit Union/Citi HealthCare

I agree to permit Dr. Jason B. Hatch and their business associates to contact me, and all other responsible parties on my account on our cell phone or other mobile devices concerning any and all aspects of my account.
